## Wedding Flower Price Guide 2021

As we are still navigating through the transition of Brexit and the effects that Covid 19 has had around the world, it's difficult to give prices for future floral designs. However we do want to give you an idea to help you budget for your big day so the prices listed below are simply a guide, based on average. Please feel free to ask for more information. I'll be happy to help where I can.
